PLAY FOR HIGH STAKES

THE STAKES ARE HIGH. The missions ahead are as tough as they come. Commandos are attacking the Earth, and the ultimate defense has been launched—GUNFORCE. This multi-

national army is armed with the latest technology and the most advanced military strategies. Dangerous missions take them from depots to communications stations as they deploy weapons and execute battle plans.

YOU'LL FACE ENEMY HEAT like you've never felt as you fight your way

4

through five explosive stages. You're right in the heart of enemy operations, and you'll need every tactical weapon at

your command, and all your nerve! The destiny of the Earth is in your hands.

FIRE UP THE ACTION of

GUNFORCE by simply turning on your system.

This triggers the starting sequence. Are you ready?

GRAB YOUR KEYPAD

and press "start" during the intro or when you see "press start" on the screen. Another option is to press "select" which takes you to the select screen. If you want to zap past the starting sequence, you can press "start" again or "fire" and jump straight onto the firing line. You may discover you want to jump right into battle without the preliminaries. Fire away!

MEET THE CHALLENGE

HERE ARE A FEW IMPORTANT NOTES for meeting the challenge and excitement of Irem's hit game, **GUNFORCE!**

FLASH ♦ At the beginning of a new life, your player will "flash" for a few seconds. At this point, you are invincible. Make your move!

MOVES ♦ Use your control pad to move and point in a number of directions. You're in control. The next move is yours.

BUTTONS ♦ Use the "L" or "R" buttons located on the top of the controller or the "X" or "Y" buttons to jump.

FIRE AWAY ♦ Use "A" or "B" to fire.

TOTAL POWER ♦ Don't forget that you can jump, move and fire all at the same time. Go for it!

ESCAPE When you're in trouble on a ledge, and you want to get down pronto, press "down" on the control pad and jump at the same instant.

YOU ARE INVINCIBLE!

JUMP, DUCK AND FIRE

STRATEGY ♦ If you just press "down," you'll duck. If you jump then press "down,"

you'll fire down. This can be very strategic if you are positioned on a ledge.

PAUSE ♦ To pause or unpause the game, press "start." Either player can pause the game at any time.

SOUND ♦ "Select" will turn the sound and music on and off. Either player can control sound and music this way.

down" is displayed instead of the score.

CONTINUE

When only one player is playing, the "continue" message takes over the whole screen.

COUNTER

When a continue option is displayed, the player must press "start" again before the counter reaches zero.

LIVES ♦ At the start of the game, each player has three credits and four lives per credit (12 lives total). If you die

four times, the game says "continue," and you drop to two credits and get four more lives. It's a challenging game, and you'll need all the lives you can get!

STRATEGY IS IMPORTANT

PLAY FOR HIGH STAKES

IF YOU GET A HIGH SCORE,

use the control pad to move the letters around on the display. To select a letter, press "fire."

WARRANTY INFORMATION

LIMITED 90-DAY WARRANTY

Irem America Corporation ("IREM AMERICA") warrants to the original consumer purchaser for a period of ninety (90) days following the original retail purchase of this Game Pak ("PAK") that the PAK is free from substantial errors or defects that will materially interfere with the operations of the program as described in the enclosed user documentation. If you believe you have found any such error or defect in the program during the warranty period, call Irem America's Technical Support Department, (206) 882-1093 between the hours of 9:00 AM and 5:00PM (Pacific Time), Monday through Friday. The technical personnel of Irem America will attempt to help you correct or avoid the problem. If any such error or defect cannot be corrected or reasonably avoided by the customer, Irem America will inform you how to obtain a corrected Pak (or, at Irem America's option, Irem America may authorize a refund of your purchase). This warranty shall not apply if the Pak has been damaged by negligence, accident, unreasonable use, modification, tampering, or by causes unrelated to defective materials or workmanship.

LIMITATIONS ON WARRANTY

Unauthorized representations: Irem America warrants only that the program will perform as described in this user documentation. No other advertising, description, or representation, whether made by Irem America dealer, distributor, agent, or employee shall be binding upon Irem America or shall change the terms of this warranty.

Implied warranties limited: Except as stated, Irem America makes no other warranty, express or implied, regarding this product. Irem America disclaims any warranty that the software is fit for a particular purpose, and any implied warranty of merchantability shall be limited to the ninety (90) day duration of this limited express warranty and is otherwise expressly and specifically disclaimed. Some states do not allow limitations on how long implied warranty lasts, so the above limitation may not apply to you.

No consequential damages: Irem America shall not be liable for special incidental, consequential, or other damages, even if Irem America is advised of or aware of the possibility of such damages. This means that Irem America shall not be responsible or liable for lost profits or revenues, or for damages or costs incurred as a result of loss of time, data, or use of the software, or from any other cause except the actual cost of this product. In no event shall the liability of Irem America exceed the purchase price of this product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

The provisions of this warranty are valid in the United States only.

For technical support on this or any other products of Irem America, call (206) 882-1093.
